EDUCATION

REVA UNIVERSITY

Bachelor's in Computer Science; CGPA: 7.54/10

- Specialization in AIML

Bangalore, KA

May 2024

SRUJANA JUNIOR COLLEGE

Class XII; CGPA: 6.5/10

Kurnool, AP

Apr 2020

SRI CHAITANYA SCHOOL

Class X; CGPA: 9.80/10

Kurnool, AP

Apr 2018

ACADEMIC PROJECTS

Student Behavior Analysis

Face Detection using AI and Computer Vision

- Analyzed student behavior in the classroom using facial expressions with the help of a camera.

Drowsiness Detection and Alert System

Machine Learning Model for Real-Time Facial Analysis

- Developed a machine learning model to detect drowsiness and ring an alarm.

EXPERIENCE

Digiup Pvt. (Remote)

Apr 2024 – June 2024

Digital Innovator Intern

- Contributed to the entire lifecycle of digital initiatives, from development and analysis to integration and optimization.
- Engaged in digital project development, focusing on creating effective and efficient solutions.
- Learned about open APIs and their specifications, enhancing technical knowledge in API integration.
- Built consumer adapters to connect and consume APIs across various portals.

Skill.ai (Remote)

Jan 2024 – Feb 2024

Data Analyst Intern

- Collected and analyzed data in Excel, converting raw data into actionable insights to guide strategic decisions.
- Performed detailed data analysis, identifying trends and patterns to draw meaningful insights from content posted.
- Transformed raw data into compelling insights through meticulous analysis and visualization.
- Collaborated with team members to ensure accurate data collection, analysis, and reporting.

TECHNICAL SKILLS

Programming: Python, SQL, Power BI, Excel, Computer Vision

Python Libraries: NumPy, Pandas, Matplotlib

Graphic Design: Adobe Photoshop, Canva

CERTIFICATIONS

Google-certified Cloud Engineer

Python for Data Science, AI & Development

Mastering Data Analysis in Excel

Design Thinking for Innovation

EXTRA-CURRICULAR ACTIVITIES

Photography Head, FACEIT

- Organized over 5 events as the Photography head.
- Covered many college events at university.
- Won first prize in a photography competition at university.
